

LOW PRESSURE KIT LP2 | LP22

W-200 INTEGRA

DPS 120

With a low pressure kit from Anest Iwata you get the right equipment for your needs at a reasonable price.

The pump can be ordered in different performance. This pump is for solventbased paint. LP22 is double rigged to use with two spray guns. Double rig includes two spray guns and double hose sets.

W200 Integra spray gun is high speed operation while maintaining excellent surface quality. It has a clearer design and it's easy to maintenance.

Contact your paint supplier for the best advice regarding equipment. If you have any further questions, contact your Anest Iwata distributor.
