

# UNIFORM

## Rechargeable work light with charging base

UNIFORM is a compact LED work light for the professional user with USB-C charging base.

Designed to perform consistently in tough work environments, UNIFORM is durable and resistant to water and dust (IP65). It is a versatile work light designed with a turnable hook and strong built-in magnet, allowing for flexible positioning anywhere during inspection work. The handlamp is also designed with a clip for the work belt. The flexible lamp head can tilt up to 180 degrees, providing you with the flexibility to adjust the direction of the light as needed. In addition, the handlamp has an ergonomic grip and a compact design, making it easy to carry.

Powered by a high efficiency multi-LED design of 32 LEDs, UNIFORM offers a powerful, adjustable light output up to 500 lumen. The top light delivers a focused beam of 175 lumen, making it ideal for various inspection tasks that require a concentrated light source. Additionally, a user-friendly battery indicator keeps you informed about the battery level.

The OPTILight setting delivers the required illuminance (LUX) in a typical work situation, ensuring optimized light and runtime with a simple touch. This work light provides a constant lumen output performance measured according to the European standard EN 13032-1.

	UNIFORM
Product number	03.6208
Light source	High efficiency multi-LED design with 32 LEDs
Luminous flux, lumen	50-500 Spot: 175
OPTILight setting	500 lux@0.5 m
Adjustable light output	3 levels
Beam angle	110° Spot: 30°
CRI	Ra > 80
CCT	5700 K
Operating time max. / min. lumen, h	3/32
Operating time OPTILight, h	4
Charging time, h	3.5
Battery	3.7 V / 2600 mAh Li-ion
Verified no. of charging cycles	Min. 1000
Protection class	IP65
Rough service	Yes
Impact protection	IK07
Impact resistance	2 m
Cable	1 m USB-A to USB-C
Operating voltage AC	-
Charging voltage/current DC	5 V / 1 A
Power consumption	3.2 W
Charger incl.	No
Operating temperature	-10 to +40 °C
Dimensions	188 x 60 x 33 mm
Net weight	263 g

### PRODUCT IMPROVEMENTS

- 47 % efficiency improvement
- 20 % recycled material
- OPTILight functionality
- Dedicated buttons for on/off and brightness levels
- Battery indicator
- Double temperature surveillance to protect the lamp and battery
- Min. 1000 charging cycles
- Rough service certified
- Warranty extended from 3 to 5 years
- New colour scheme

A pioneering approach that focuses on reinventing the design and functionality of LED work lights and optimizing energy efficiency to the utmost. With a focus on sustainability, traditional standards are rethought, and boundaries are pushed to extend the lifespan of lighting solutions.
